

Because of no financial means, the construction for the Orphan, the Church and the School was stopped for 2 months but now it starts again. We serve a powerful God, who'll never change ! There's no limit to his compassions, they are renewed every morning. And everywhere we go, wherever we preach the Gospel to those who are lost, wherever we open churches, He is ready to give everything he has promised for those who believe.

The month of November 2019 was set apart to pray and present to the Lord our needs for Pakistan, the orphans and our construction. During this time, three donors from New Caledonia came to help with this operation and they gave the money needed to finish the construction of the roof of the building, we thank them and glorify Jesus who always answer to the prayer of his children.

At the beginning of 2020 we will do the interior design of the Orphanage. We can't wait to see what God has for the future. We need your prayers and financial help to continue the work.

Thanks for joining us and praying for the progress of this wonderful project.
